ABOUT

Not In Our Town (NIOT) Northport invites young artists in our community (grades K-12) to create paintings depicting what BELONGING means to them. Artists' unique pieces will be displayed in the Northport Library Art Gallery for the month of June and all canvases will include a title and brief description. This exhibit hopes to foster a strong sense of community, inclusivity, and connection among the artists and all of those who experience the exhibit. **All proceeds will be donated to Northport PrideFest.**
